Forgive us, for we have sinned.

In our greed to collect more yaoi,
we have overstocked our coffers and now must pay restitution.

In our greed to feed the lust,
we have overburdened ourselves and now must beg for salvation.

Come save us, oh translators, ye of chinese or japanese mastery.

We have many riches to offer you,
glory beyond all that you have experienced.

Promise us redemption,
and we shall deliver to thee all that is heavenly sinful.

Come burn with us in the fires of ecstasy.

S.A.W.

We do have had a hard time this year all together due to Makyla getting a full time job. Additionally LycheeDreams got some more hours to do with her job herself and then Yuuri who's gotten her hands full with her job herself. And because it was like that, there was no way for us founders to put out some appropriate THANK YOU to those who believed IN US, worked WITH US and were cheering us up. We have never given up, but this year I have been really close to do so... But since we haven't had a STAFF APPRECIATION WEEK this year, we thought we should put out some more files and make it this way

THANK YOU TO ALL STAFF OF TEAM FUSHICHOU FOR ALL THE PATIENCE YOU GUYS HAD AND STILL HAVE WITH US AND FOR ALL THE FAITH AND LOYALITY KEEP ON GOING...
